- 2) This year, the 500 tickets are available in electronic format only.
- 3) Tickets will go on sale starting in November 2022.
- 4) Regardless of the method of payment, the ticket is non-refundable.
- 5) The draws will take place at the Fondation Hôpital Saint-Eustache's office and be broadcast live via their Facebook page.
- 6) Draws take place on the third Thursday of each month (February 16, March 16, April 20, May 18, June 15, July 20, August 17, September 21, and October 19).
- 7) Prizes: 10 travel credits valued at \$2,000 each (January to October 2023), one cash prize of \$3,000, two cash prizes of \$1,000, and two cash prizes of \$500 (October 19, 2023) for a total value of \$26,000.
- 8) Voyage Essence-Ciel is the supplier for the 2023 Lotto-FHSE.
- 9) A winning travel credit ticket is not eligible for subsequent travel credit draws. It can be used however for the final cash prize draw.
- 10) Travel credits cannot be redeemed for cash.
- 11) Some travel suppliers require a credit card on file. If the winner chooses a trip offered by such a tour operator, they must pay with their personal credit card, and Voyage Essence-Ciel will issue a refund cheque for a maximum amount of \$2,000. If the cost of the trip exceeds the amount of the travel credit, the winner is responsible to pay the balance.
- 12) The winner's name will be announced during the Facebook live draw (if broadcasted). The Fondation will attempt to contact the winner within 48 hours following the draw date.
- 13) The winners will be announced on the Fondation Hôpital Saint-Eustache's Facebook page.
- 14) The winners of the travel credits have one (1) year from the draw date to claim their prize at the Fondation's office.
- 15) The winner (except those who have signed the payroll deduction form) must pay the ticket balance before claiming the prize.

16) Payment methods include cash, credit card or debit card, cheque (1 payment only), or payroll deductions (for employees of the CISSS des Laurentides). Tickets paid by cheque will be placed in the draw box once the payment is received.

17) If an employee purchases a ticket using payroll deductions, these deductions will take place from February 9 to November 2, 2023 (20 installments of \$6 for a total of \$120).

18) If an employee purchases a ticket using payroll deductions and is no longer employed by the CISSS des Laurentides, the CISSS des Laurentides will withhold the balance of the amount due from the last paycheck. In the case of a leave of absence without pay, a payment arrangement may be granted by the FHSE to maintain eligibility for the ticket.

19) The travel credit may be transferred from the winner to another person. In this case, the winner must inform the Fondation in writing of their decision to transfer the prize by providing the name and contact information of the person to whom they wish to transfer the prize. The same rules apply for this person and the Fondation will forward all information to Voyage Essence-Ciel.

20) If the cost of the selected trip is less than the credit granted, the difference will not be reimbursed in cash. The travel credit balance will be held in a trust account in the winner's name.

21) The Fondation and organizers of this draw are responsible for managing the travel credits and cash prizes. Any other fees that may apply are the responsibility of the winner.

22) The winners authorize the Fondation HSE and the CISSS des Laurentides to use their names and pictures for advertising purposes without remuneration.

23) No tax receipts will be issued to ticket purchasers in accordance with Canada Revenue Agency laws and regulations.

24) Employees and members of the Board of Directors of the Fondation HSE are not eligible for the draw.

25) The rules of this draw are available on the Fondation HSE's website at fondationhopitalsainteustache.com.
