**Saint-Eustache, Saturday, December 9<sup>th</sup> 2023** – The Fondation Hôpital Saint-Eustache would like to acknowledge its partner Desjardins, for its investment in the unit housing the Alain Germain Cancerology Center and the Outpatient Hemodialysis Center. The building is located at 14 boulevard Industriel in Saint-Eustache.

The Centre de santé is fully owned by Gestion Immobilière Fondation Hôpital Saint-Eustache. It was inaugurated on December 9<sup>th</sup>, 2019 under the name **Centre de santé Desjardins** for a 10-year period, thanks to a substantial donation of \$500,000 from the Fonds des régions et des groupes and the six Caisses Desjardins des Laurentides Sud (Caisse Desjardins de Saint-Eustache-Deux-Montagnes, Caisse Desjardins Thérèse-De Blainville, Caisse Desjardins de l'Envolée, Caisse Desjardins du Lac des Deux-Montagnes, Caisse Desjardins de Mirabel and Caisse Desjardins d'Argenteuil). This project is part of a shared vision between the CISSS des Laurentides and the Fondation Hôpital Saint-Eustache with the ultimate objective of offering modern services focused on the needs of the local community.

Every year, the Outpatient Hemodialysis Center provides 16,700 treatments to over 125 patients and the Cancerology Center provides 4,000 treatments to more than 11,300 patients.
