Saint-Eustache, December 9th, 2024 – The Fondation Hôpital Saint-Eustache proudly celebrated the invaluable commitment of its partner Desjardins, who is helping to provide quality healthcare by investing in the Centre de santé. The Centre de santé, home to the Alain Germain Cancer Center and the Outpatient Hemodialysis Center, is located at 14 boulevard Industriel in Saint-Eustache.

Owned by Gestion Immobilière Fondation Hôpital Saint-Eustache, the sole shareholder, the Centre de santé was inaugurated on December 9th 2019, under the name Centre de santé Desjardins, in recognition of the generous donation of \$500,000 made by the Fonds des régions et des groupes and the six Caisses Desjardins des Laurentides Sud:

- Caisse Desjardins de Saint-Eustache-Deux-Montagnes;
- Caisse Desjardins Thérèse-De Blainville;
- Caisse Desjardins de l'Envolée;
- Caisse Desjardins du Lac des Deux-Montagnes;
- Caisse Desjardins de Mirabel;
- Caisse Desjardins d'Argenteuil.

This partnership reflects a shared vision with the CISSS des Laurentides to provide Lower Laurentians residents with modern, accessible healthcare services tailored to the community's needs.

Every year, the Centre de santé plays a crucial role in the region:

- Over 16,900 treatments are administered at the Outpatient Hemodialysis Center;
- More than 13,800 treatments are given at the Alain Germain Cancer Center.

The support of partners like Desjardins is essential for the Fondation to fulfill its mission and improve healthcare options for the local community.
